

Editor's note and correction:
“Accounting and Financial Markets”,
European Finance Review Vol. 5, No. 3

The *European Finance Review* volume 5, number 3 contained a special section with papers from a symposium on “Accounting and Financial Markets” held at the August 2000 meeting of the European Finance Association in London. In the initial selection of the papers we were assisted by Professors Ray Ball of the University of Chicago and Elroy Dimson of the London Business School. The *Review* is very indebted to Dr. Gilad Livne of the London Business School who edited the special section and saw the papers and discussant comments through to publication.
