

## **A LETTER FROM THE DIRECTOR OF THE IAFE**

Dear Subscribers,

The Fall schedule for the IAFE included several panels for our practitioner and academic members including Risk Management Over Troubled Waters, Lessons from the Subprime Market: Implosion and its Consequences, and Hedging Illiquid Assets. In addition the IAFE is now starting to feature smaller members-only events and tutorials. For more information on these upcoming members events please visit the IAFE website.

### **IAFE MEMBERSHIP**

- **Discounts to IAFE Endorsed Conferences.** As part of our educational mission, we endorse conferences that we believe our membership would value. Conference fees can be exorbitant and the 20% discount that our members usually receive often saves them a dollar amount exceeding the price of their IAFE membership.
- **Institutional Investor Journals Special Rates.** All IAFE members are now entitled to enjoy special rates on nine Institutional Investor Journals, including the official IAFE publication, *The Journal of Derivatives*. There are now even more benefits to being a member. More information can be found on the IAFE website.
- **Access to Additional Content on the IAFE Website.** Included in this members-only section are videos of select IAFE Events, including our 2007 and 2008 annual conference including keynote speeches from Andy Lo, Jim Simons, and Jack Treynor and our career focused panel: How I Became A Quant. Some of our Spring 2008 events are posted as well including Derivatives Post-Trade Processing. All of this is available at [www.iafe.org](http://www.iafe.org) under the "Members Area" tab.

To join simply visit our website at [www.iafe.org](http://www.iafe.org) and use our online form at [www.iafe.org](http://www.iafe.org).

### **IAFE WEBSITE NOW FEATURES STREAMING VIDEO**

All IAFE Members now have access to additional content on the IAFE Website. Included in this members-only section are videos of select IAFE Events, including our 2007 annual conference: From Quant to Riches and our career focused panel: How I Became A Quant. Throughout 2008 we will be recording and posting many of our events for those who are not able to attend in person. All of this is available at [www.iafe.org](http://www.iafe.org) under the "Members Area" tab.

Best regards,
