Editor's note

Announcement

The editors and the publisher are very pleased to inform you that the Journal of Empirical Finance has been accepted for coverage by Thomson Reuters in the Social Science Citation Index and Current Contents Social & Behavioral Sciences beginning with Volume 15(1) 2008. This means the journal will get its first impact factor in the 2010 Journal Citation Report, published in 2011.

This long awaited decision by Thomson Reuters means a formal acknowledgement of the quality of the fine work done by authors who published in the journal, reviewers, former and present editors and associate editors of the journal over the past 15 years. It will be a spur to strive for continued excellence of the journal that according to external evaluations belongs to the top ten finance journals.
